

Solutions for the Development of Hanoi's Human resource

VU THANH HUONG

(VDF Researcher /NEU Researcher & Lecturer)

vthanhhuong@vdf.org.vn

- ❑ **Assess the current status of Hanoi in following aspects:**
 - Demand for human resource in Hanoi by sectors.
 - Quantity and capacity of training agents in Hanoi.
 - The relation between the ability of trained people and the requirements of the users.
- ❑ **Identifying the reasons behinds the limitations of education and training service**
- ❑ **Putting forwards recommendations on policies for improving the training and education activities in Hanoi.**
