

Supporting Industries: A Review of Its Concepts and Development

Nguyen Thi Xuan Thuy, MOI VN & VDF-Tokyo

thuyntx@moi.gov.vn thuy@grips.ac.jp

- This ongoing paper will review different concepts of Supporting Industry (SI) as well as related concepts. The paper attempt to propose an appropriate policy oriented definition of SI.
- International experiences in development of SI will also be reviewed in order to provide policy implications for Ministry of Industry of Vietnam (MOI) in promoting SI in Vietnam.
