

The VDF-Tokyo Conference on the Development of Vietnam

ベトナム経済開発セミナー

ON: 18 June 2005 (SAT)

AT: GRIPS Roppongi campus

The First VDF-Tokyo Conference on the Development of Vietnam will be held at the GRIPS new campus in Roppongi. VDF Tokyo promotes exchange of knowledge and ideas in the areas related to the socio-economic development of Vietnam. The Conference welcomes scholars, researchers and practitioners to join as general participants.

This conference is supervised by Professor Kenichi Ohno (GRIPS/VDF).
